Next Steps

• Impacting the number of Gadsden County residents who lack a high school diploma or GED and driving home the importance of furthering their education

• Working collaboratively with local and regional economic development and workforce partners to identify workforce skills gaps (existing and future)
Gadsden Center
Planned programs and services

- Adult Education and GED services
- English Speakers of Other Languages (ESOL)
- Vocational training
  - Heating, ventilation and air conditioning (HVAC)
- Corporate Solutions
  - Business support (workforce and economic development)
