MEMORANDUM

TO: District Board of Trustees

FROM: Barbara R. Sloan, President

SUBJECT: District Board of Trustees Architectural Selection Committee RFP Recommendation

Item Description:
This item requests District Board of Trustees approval of the Request for Proposal for Architectural Services.

Overview:
The District Board of Trustees approved the formation of an Architectural Selection Committee to develop a Request for Proposals document, conduct interviews of prospective A/E firms, and make a recommendation to the full District Board of Trustees. This is required since the current agreements for architectural services expire on June 30, 2010 with DAG (FPSI) and Clemons Rutherford (Main Campus).

Salient Facts:
The District Board of Trustees formed an Architectural Selection Committee to make a recommendation for the architectural services for both the Main Campus and the Florida Public Safety Institute. The members of the committee are: Trustee Kimberle Moon, Trustee Bill Hebrock, Frank Brown, Jim Murdaugh, and Tony Stallworth. This committee is charged with the following tasks: (1) prepare a Request for Proposals for architectural services for both the Main Campus and FPSI and submit them to the District Board of Trustees for approval; (2) review the submittals from the various firms; (3) conduct the interviews with the firms; and (4) make a recommendation to the full District Board for approval.

The Committee agreed to develop two requests for proposals. One RFP would be for architectural services for the Main Campus and all other Leon County TCC sites. the other RFP would be for architectural services for the FPSI, and other Gadsden and Wakulla County TCC locations.

The selection process would be conducted as outlined in chapter 287.055, F.S. described as the Consultant's Competitive Negotiations Act.

Past Actions:
The District Board of Trustees approved architectural services for all projects.
Future Actions:
The District Board of Trustees would be asked to approve annual contract agreements for these firms each year for three years. At the end of the contract terms, a new RFP process will begin for the selection for the next three year term.

Funding/Financial Matters:
The projects for these architectural services are defined as minor projects with an estimated cost not to exceed $2,000,000 or up to $200,000 for individual studies. For projects that exceed this threshold, the District Board of Trustees will conduct a selection process for each individual project.

The project funds are from the line item appropriations from the Legislature, Annual PECO Renovation and Remodeling funds, SBE Bond funds, Capital Improvement fees, various grants or local TCC maintenance/repair funds.

Staff Resource:
Teresa Smith

Recommended Action:
Approve the draft Request for Proposal and authorize the Architectural Selection to proceed with the process as described above.

(a) The College shall notify, in writing, any vendor who fails to adhere to contract terms and conditions. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure (such reasonable time should not generally be less than 10 days after receipt of such notice).
(b) Unless the vendor corrects its failure to perform within the time provided, or unless the College determines on its own investigation that the vendor's failure is legally excusable, the College shall find the vendor in default and shall issue a second notice stating (i) the reasons the vendor is considered in default, (ii) that the College will repurchase or has repurchased the commodities or services.
The foregoing provisions do not limit, waive or exclude the College's remedies against the defaulting contractor at law or in equity.

The College also reserves the right to disqualify responses from firms or individuals who have in the past failed to meet the specifications, requirements, or expectations of past or present agreements, contracts, or awards for products and/or services.

XXI. **Attorney’s Fee**
In the event the proposer breaches the contract between the proposer and the College or the specifications of this RFP, and the College is required to take legal action to resolve the breach, or to recover any monies which may be due hereunder; then, and in those events, the proposer shall pay all costs for such legal action or collection, including reasonable attorney’s fees, court costs, discovery costs and any other costs related to this action.

XXII. **Public Entity Crimes**
Award will not be made to any person or affiliate identified on the Department of Management Services’ “Convicted Vendor List”. This list is defined as consisting of persons and affiliates who are disqualified from public contracting and the purchasing process because they have been found guilty of a public entity crime. No public entity shall award any contract to, or transact any business in excess of the threshold amount provided in Section 287.017 Florida Statutes for Category Two (currently $25,000.00) with any person or affiliate on the “Convicted Vendor List” for a period of thirty-six (36) months from the date that person or affiliate was placed on the “Convicted Vendor List” unless that person or affiliate has been removed from the list. By signing and submitting the RFP proposal forms, Proposers attest that they have not been placed on the “Convicted Vendor List”.

XXIII. **Public Records**
All proposals/solicitations become “public records” and shall be subject to public disclosure consistent with Chapter 119.071 (1)(b) and Chapter 119.071 (1)(c), Florida Statutes. Bidders are cautioned that Florida law generously defines what constitutes a public record; see, for example, section 119.07 of the Florida Statutes.

**NOTE:** If Proposer believes any of their material(s) are exempt from disclosure and public records, they must identify specifically any information contained in their proposal, clearly segregate and mark that information, specify the Florida Statute which they consider to be exempt from disclosure, citing specifically the applicable exemption law and briefly describe in writing the grounds for claiming exemption from the public records law. A general notation that information is "Confidential" will not be sufficient. Any material submitted in response to this solicitation will become a public document pursuant to Section 119.07, Florida Statutes if not identified as noted above. This includes material that the responding Proposer might consider to be confidential or a trade secret. Any claim of confidentiality is waived upon submission, effective after opening pursuant to Section 119.07, Florida Statutes. In no event shall the College or any of its employees or agents be liable for disclosing, or otherwise failing to protect the confidentiality of, information submitted in response to this solicitation.

The College reserves the right to reject the proposal of any vendor who has previously failed in the proper performance of an award or to deliver on time contracts, or who in the College's opinion, is not in a position to perform properly under the award. The College reserves the right to inspect all facilities of proposers in order to make a determination as to the foregoing.

XXV. Joint Ventures
Proposals submitted by firms under "joint venture" arrangements or other multi-party agreements must submit a power of attorney delegating authority to one principal with authority to negotiate and execute any/all contract documents resulting from negotiations/award of this RFP.

Any notice of protest or formal written protest to the award or intended award which is filed before the proposal tabulation posting, is null and void. To be considered, a notice of protest or formal written protest must be filed within the time limits set forth in Section 120.57(3)(b), Florida Statutes.

Failure to file a protest within the time prescribed in 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

XXVII. Compliance
All proposers are required to comply with all Federal, State and Local laws, codes, rules, regulations, ordinances, and policies of the District Board of Trustees of Tallahassee Community college which may be applicable to the action or operation of this RFP. The Contractor will be required to expeditiously execute an amendment to effect such changes, which execution shall not be unreasonably withheld. The College shall endeavor to provide written notice to the Contractor thirty (30) days in advance of any College-required changes to the technical specifications and/or scope of service that affect the Contractor's ability to provide the services as specified herein.

There is no way to anticipate what those changes will be nor is there any way to anticipate the costs associated with such changes. Either party shall have ninety (90) days from the date such change is implemented to request an increase or decrease in compensation or the applicant party will be considered to have waived this right. Full, written justification with documentation sufficient for audit will be required to authorize an increase in compensation. It is specifically agreed that any changes to payment will be effective the date the changed scope of services is approved, in writing, and implemented.

XLIX. **Administrative Purposes**
For administrative purposes throughout this document, the College is referring to a vendor, offeror or proposer as "Contractor" and any contract to be issued as a result of this RFP as "the Contract" or "this Contract". This does not mean or imply that any person or firm submitting a proposal to the RFP as a vendor, offeror or proposer will ultimately be awarded a contract or otherwise become a Contractor as that term is commonly understood. By utilizing the term "Contractor" and "this Contract" or "the Contract" throughout this RFP, the College will be able to more quickly and efficiently transfer terms and conditions from this RFP document into a Contract document.
