HSS - The Expansion of Global Education

TCC's IDEAS

**Student Diversity:** Promote student understanding and acceptance of individual differences and diverse societies and cultures.

**Campus Diversity:** Implement campus wide recruitment and retention strategies that are responsible to a diverse population.

Assessed Need

To enhance student learning and success by providing opportunities for exposure to diverse cultures and peoples.

Initiative

To provide students opportunities for knowledge and success through an expanded Global Education program.

Assessment

Maintain list of on-campus events including cost
Survey student participation and satisfaction to determine cost effectiveness
Track student participation in foreign/domestic study and travel opportunities
Track faculty and student involvement in exchange programs
